

### 03) I AIN'T CHEATIN' ON YOU

She found a note in the dryer  
From my new hair styler  
She wrote down her number and name  
After she cut my thinning mane  
I will admit it looked suspicious  
Believe me nothing malicious  
She screamed and shook it in my face  
I think it's time to plead my case  
I ain't cheatin' on you  
You can beat me black and blue  
Won't change my point of view baby  
I ain't cheatin' on you  
I ain't cheatin' on you  
This much is true  
Nothin' else to say or do baby  
I ain't cheatin' on you  
She called the woman in question  
After I made the suggestion  
She talked and talked and talked and talked  
I was ready to walk and walk  
After a while she smiled with glee  
Her faith restored in me you see  
Not only was I not guilty  
My next haircut was free  
I ain't cheatin' on you  
You can beat me black and blue  
Won't change my point of view baby  
I ain't cheatin' on you  
I ain't cheatin' on you  
This much is true  
Nothin' else to say or do baby  
I ain't cheatin' on you

Nothin' else to say or do baby  
I ain't cheatin' on you  
What have I done to ever make you  
think that I would cheat on you  
If only you knew  
How much I love ya  
I'd never hurt ya baby  
No need to be blue, blue, blue, blue, blue....  
I ain't cheatin' on you  
You can beat me black and blue  
Won't change my point of view baby  
I ain't cheatin' on you  
I ain't cheatin' on you  
This much is true  
Nothin' else to say or do baby  
I ain't cheatin' on you  
I ain't cheatin' on you  
You can beat me black and blue  
Won't change my point of view baby  
I ain't cheatin' on you  
I ain't cheatin' on you  
This much is true  
Nothin' else to say or do baby  
I ain't cheatin' on you
