

05) YOU ARE A LOOZA

We need to talk please sit down
Just listen don't make a sound
I've had enough of your junk
You have put me in a funk!

I won't will not, have you hangin' 'round no more
I can't cannot, let you bring me down
I will move on, to a happy happy place
You are, you are.....a Looza!

You are a Looza (looza looza looza)
You are a Looza (l-o-o-z-a)
You are a Looza, I'm sorry but you got to go you gotta go

I can't wait to see you go
I had reached an all time low
Happy days are here again
Fun sucker go with the wind!

I won't will not, have you hangin' 'round no more
I can't cannot, let you bring me down
I will move on, to a happy happy place
You are, you are.....a Looza!

You are a Looza (looza looza looza)
You are a Looza (l-o-o-z-a)
You are a Looza, I'm sorry but you got to go you gotta go

You used to be fun, you used to be cool
You used to be my everything
And now there's attitude, so much negativity
Excuse me...I have to.....sing.
